EGYPTIAN SOCIETY OF CATARACT
AND REFRACTIVE SURGERY

in Collaboration with

UK

26TH ANNUAL INTERNATIONAL MEETING **EgSCRS 2025**

5 - 7 NOVEMBER, 2025
HILTON CAIRO GRAND NILE, EGYPT

Program
AT A GLANCE

DAY 1 | THURSDAY 6 NOV. 2025

26th Annual International Meeting PROGRAM AT A GLANCE

TIME	MAIN HALL	
	<i>Podium A</i>	<i>Podium B</i>
09:00 - 10:00	Cataract Symposium: Nucleus Management Techniques and Technology	Cornea Symposium: Corneal Infections Updates and Managment
10:00 - 10:30	Cataract Keynote Lecture: Prof. Oliver Findl Retinal Detachment after Lens Surgery in Myopic Eyes - The ESCRS Myopred Study	
10:30 - 11:30	Refractive Surgery Symposium: PRK, LASIK, Lenticule Extraction Debate	Glaucoma Symposium: Glaucoma and Anterior Segment Surgery What Should I Know?
11:30 - 12:30	Cataract Symposium: IOLs for Presbyopia Correction - What is your Choice?	Refractive Surgery Symposium: Management of LVC Complications
12:30 - 13:30	Lunch Break & Exhibitor Symposium	Lunch Break & Exhibitor Symposium
13:30 - 14:30	Cornea Symposium: DALK: How to Tackle Perforations	Cataract Symposium: Subluxated Cataracts? How to Approach Efficiently?
14:30 - 15:00	Cornea Keynote Lecture: Prof. Rohit Shetty: Research of The Unknown	
15:00 - 16:00	Panel Discussion Symposium: IOL displacements and Surprises	Retina Symposium: Advices from Posterior Segment to Anterior Segment Surgeon
16:00 - 17:00	Symposium 6: Refractive Surgery: Keratoconus: Emerging Concepts and Evolving Management Strategies	Ocular Surface Symposium: Managing Ocular Surface Disease: All Tools
17:00 - 17:30	Cataract Keynote Lecture: Prof. Hans Koch History of Cataract Surgery	
17:30 - 18:30	Cataract Symposium: Cataract Olympics	

DAY 2 | FRIDAY 7 NOV. 2025

26th Annual International Meeting PROGRAM AT A GLANCE

TIME	MAIN HALL	
	<i>Podium A</i>	<i>Podium B</i>
09:00 - 10:00	Young Ophthalmologists Symposium: Young Ophthalmologists Case and Video Presentations	Refractive Surgery Symposium: Cross Linking Protocols in Different Scenarios
10:00 - 10:30	Cornea Keynote Lecture: Prof. Rajesh Fogla	
10:30 - 11:30	Cornea Symposium: DMEK: Challenging Situations	Cataract Symposium: Pediatric Cataract Updates and Challenges
11:30 - 12:30	Lunch Break & Exhibitor Symposium	Lunch Break & Exhibitor Symposium
12:30 - 13:30	Cornea Symposium: Pediatric Corneal Morbidities Debate	Cataract Symposium: Phacoemulsification Complications All Scenarios
13:30 - 14:30	Refractive Surgery Symposium: Case Scenarios Discussions	Cataract Symposium: IOL Fixation Without Capsular Support-Debate
14:30 - 15:00	Refractive Surgery Keynote Lecture: Prof. Shady Awwad Suggested topic for the keynote lecture: "Therapeutic Refractive Surgery in Keratoconus: the time is now."	
15:00 - 16:00	Cornea Symposium: Corneal Opacity: What are The Options?	Cataract Symposium: Phacoemulsification in Special Cases
16:00 - 17:00	Refractive Surgery Symposium: Intrastromal Implants for Keratoconus- updates	Middle Segment Surgery Symposium: The Role of Iris Surgery for The Anterior Segment Surgeon
17:00 - 17:30	Refractive Surgery Keynote Lecture: Prof. Renato Ambrosio The Two-Hit Hypothesis for Corneal Ectasia: An Epistemological Journey Toward Theory	
17:30 - 18:30	Refractive Surgery Symposium: Debate: The Ultimate Choice LVC, RLE, Phakic IOL	Cataract Symposium: Debate: Managing Astigmatism with Cataract Surgery
